Albero

döfix wave tape *Albero*

Contemporary wave draperies made easy

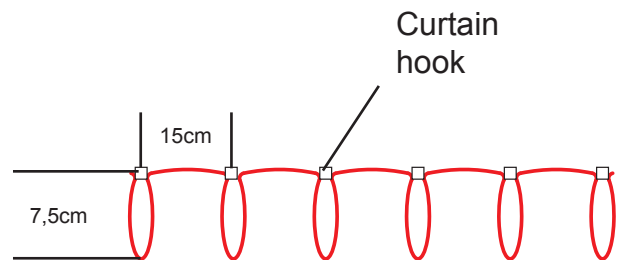

- Smooth, stylish waves even with transparent fabrics.
- Coated with the unique döfix production aid adhesive for unparalleled ease of use and stunningly perfect results.
- Combination of iron-on and sew-on. Results in exact placement of tape and puckerless stitching due to the special adhesive.
- Made especially for thin, transparent fabrics, with no bleed through.
- Variable, custom fold size for perfect pattern repeats.
- Compact stack when the curtain is fully opened.
