 ing a continuous uninterrupted work
 flow. 10 Liter water reservoir included.

Accessories

Wall mount

The ideal way to
securely mount the
döfix boiler

Steam brush
Lightweight brush to steam
dress window treatments.
Fits all döfix boilers

Ceiling mount

Scrub pad
Cleans hand irons easily

döfix

The "must have":
The döfix steam iron tracking system.
Keeps the hand iron weightless.

Advantages:

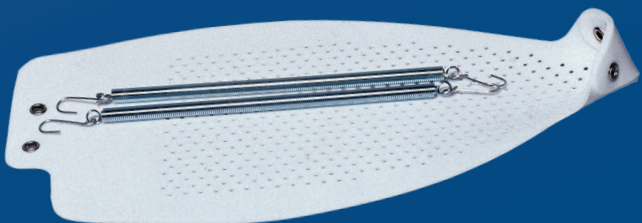

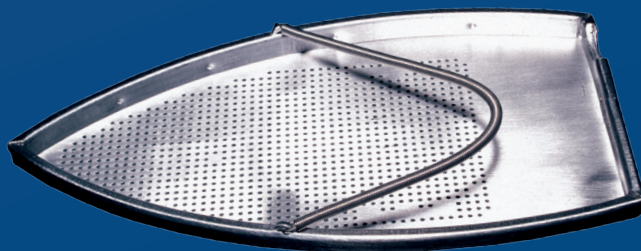

- maximum efficiency
- dramatically reduces strain
- The iron stays always handy

döfix

The ideal solution for larger tables:
Movable track system supports the hand iron and steam hose over any location on the table.

Teflon shoes
For safe use on any delicate fabric.
Available for any size döfix iron.

döfix Ironing tables

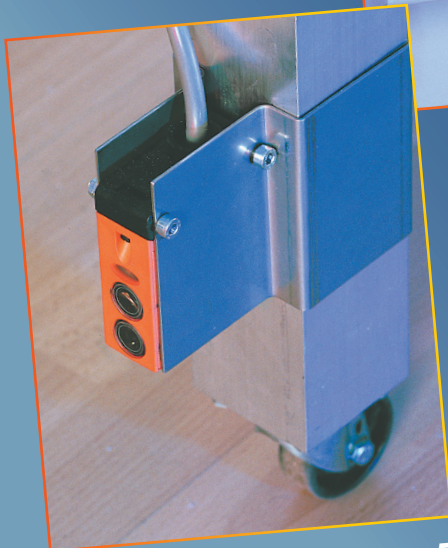

- 100 % non corrosive
- allows steam to penetrate
- flat and level work surface
- 2 large pockets to keep fabrics off the floor

The steam vacuum system improves efficiency. Fabrics cool down much faster.

Can be added to any existing döfix workroom table.

Easy activation of the vacuum through photo-electric barriers.
